## About playing cards, dangerous travel and a bridge

This time it is an english MSTing.^^  
Much fun!  
Momi^..~

+++++

Scenery: Di, Hana and Momi are sitting on the sofa and playing cards, as in the radio, which is already on since two hours, plays the song "I`m with you" by Avril Lavigne.

<I'm standing on a bridge>

Momi: This girl wants to commit suicide?Ôo

Di: What made you think of that?Oo

Momi: Oh, come on. Nobody is standing on a bridge just for fun. At the very most because of a traffic jam.-.-

Di: If you say so.-.-

Hana: \*taps Momi\* Hey, it`s your turn.

Momi: Okay. \*lays a card\* Di, you have to draw two cards. \*g\*

<I'm waiting in the dark>

Momi: Okay, which pig stood her up?

Hana: Momi, concentrate on the game, please.-.-

Di: You too, Hana. \*lays a card\* You have to draw four cards. \*g\*

Hana: Damn it. Not again!>.< \*draws four cards\*

Di: XP

<I thought that you'd be here by now>

Momi: The hope dies at least, right?.-. \*lays a card\*

<There's nothing but the rain>

Momi: \*Irony\* Yes, sure. There`s no bridge, no town, no people, just rain.-.-

<No footsteps on the ground>

Momi: Girl, there CANNOT be footsteps on the ground, because every normal human wears shoes on a bridge, you know?

Di & Hana: XD

<I'm listening but there's no sound>

Di: What?! No sound?! Impossible!O.O

Momi: Exactly. You are on a bridge, girl, there have to be row like hell.-

Hana: Hello-ho! Is anyone still playing cards with me?

Momi & Di: \*simultaneous\* Sorry.

<Isn't anyone trying to find me?>

Momi: Oh~ the poor, poor girl got lost. A bag of pity.

Di: \*opens the bag\*

Bag: Muahahaha!

Momi: That's the false bag, Di.-

Di: Sorry. I always confuse the one with the other.^^°

<Won't somebody come take me home>

Momi: It's uncomfortable on a bridge, isn't it?.-

Hana: Uhm... Momi... That sounded a little bit suggestive...^^°

Momi: Really?Oo

Hana: Uhm... Yes...

Momi: Oh man!T^T

Di & Hana: Only women are in here, you know?.-

Momi: Should I say "Oh woman" or what?XD

Di & Hana: You're right. That sounds stupid.XD

<It's a damn cold night>

Momi: It's REALLY damn cold in here. \*is freezing\*

Di: Hana, have you forgotten to close the window AGAIN?<`\_\_\_\_`<

Hana: \*annoyed\* I beg your pardon, Your Royal Highness! I go and close the window immediately! \*rolleyes\* \*stands up and close the window\*

Momi: What's wrong with you, Hana?Ôo

Hana: \*sits again\* Nothing. I'm just a little bit mad-humoured.-

<Trying to figure out this life>

Hana: \*Shakespeare-like\* To be or not to be, that's the question!

Di & Momi: That fits.XD

Hana: By the way "fitting", my card fits. Mau mau.X3

Di & Momi: Oh no!Oo

Hana: You have no idea, how much I needed that!X3

<Won't you take me by the hand>

Di: \*Irony\* Oh, are you frightening, poor girl?

Momi: You should be frightening, Di. I have only one card left. And you four.X3

Di: I don't think so. \*lays a card\* Now be so nice and draw two cards.^\_\_\_\_^

Momi: Shit.>.< \*draws two cards\*

Hana: XD The game isn't finished before the last card is lying on the pile, right?XD

Momi & Di: Exactly.-

<Take me somewhere new>

Momi: Wait a minute. I'm a little bit irritated. Didn't she want to home?Ôo

Di: Actually, yes.Ôo

Momi: Then why she wants now to go to a new place? I don't get it.>.<

Di & Hana: \*simultaneous\* Me too.>.<

<I don't know who you are>

Momi: But you want to be taken by him to a new place. O-KAY.-.-

Di: Momi, your turn.^\_\_\_\_^ \*has only one card left\* \*Momi too\*

Momi: Let me take a look. \*suddenly smiles\*

Di: I don't like it, when she smiles.Oo

Momi: And that has a good reason. \*lays her card\* Mau mau.X3

Di: Oh no! \*sad\*

Hana: Don't worry. We play again.^\_\_\_\_^

<But I... I'm with you>

Momi: That sounds, as if she is at death's door and says to someone, that she will always be with the person in the person's heart.Oo

Di: For me it sounds like Stutter-Bill out of Stephen King's "ES"XD

<I'm with you>

Di: You see, girl, you can say that without stuttering.^\_\_\_\_^

<I'm looking for a place>

Momi: Oh, I forgot, it's a damn cold night there, so you're looking for a warm place.

Hana: But below a bridge she won't find that place.XD

<Searching for a face>

Momi: Have you lost your own?Ôo

Di & Hana: \*split their sides laughing\*

<Is anybody here I know>

Momi: Where should I know that from?Ôo

<'Cause nothing's going right>

Di: How right you are. \*sigh\* I'm losing again.Û.U

<And everything's a mess>

Di: \*looks around\* When did you tidy up your room last time, Momi? It looks here, like a bomb had stroke.Ôo

Momi: Hey! If you had rearranged the whole furniture, your room would have looked much worse.-.-

<And no one likes to be alone>

Momi: Me too. But do I have a choice?.-.-

Di: What are you talking about?Ôo

Momi: I'm sure, you have no idea, how many times I have to be several hours alone at home.-.-

Di: Oh, I got it. But the girl means "to be alone the whole time", you know?

<Isn't anyone trying to find me?>

Momi: Where's the bag of pity right now?

Di: Somewhere. No idea. Why?

Momi: Than, it doesn't matter.

Di: Oo

<Won't somebody come take me home>

Momi: Listen, if the home doesn't come to you, you have to go to the home.^^

<It's a damn cold night>

Momi: Not really. I'm warm.^\_\_^

Hana: I'm not surprised. You wear a thick sweater.-.-

<Trying to figure out this life>

Momi: You aren't the only one, who has that problem.-.-

Di: The life is full of surprises and you never know, what's coming next.^^

<Won't you take me by the hand>

Momi: Sweet! She wants to go with someone hand in hand.X3

Di: Let's play one more time Mau mau.^0^

Hana & Momi: Okay.^^

Di: \*shuffles the deck and hands out six cards to Momi, Hana and herself\*

<take me somewhere new>

Momi: \*looks at her own cards\* Girl, you know, that travelling in other countries can be very dangerous.

Di: Especially if you're not vaccinated. \*lays a card\* Diamonds, please.^^

<I don't know who you are>

Hana: And even more dangerous is to travel with a person, you don't know. \*lays a card\* Draw two cards, Momi.X3

Momi: Not yet. \*lays a card\* Di, draw four cards please.X3

Di: Damn it.>.< \*draws four cards\*

Hana: Now you know, how I felt last time.X3

<But I... I'm with you>

Di: Stutter-Bill's back!XD

<I'm with you>

Momi: \*Irony\* She isn't tired of life, is she?.-.

Di: Why do you think so?Ôo

Momi: Do you know one person, who wants to travel voluntarily with a stranger?.-.

Di: Of course not.

Momi: You see?.-.

<Oh why is everything so confusing>

Momi: \*Irony\* I don't know. Maybe because you want to travel with a stranger?.-.

Di: Momi, draw two cards, please.X3

Momi: \*growls\* \*draws two cards\*

<Maybe I'm just out of my mind>  
Momi: Everything is possible.XD

<Yeah yeah yeah>  
Momi: XD  
Hana: What's the matter?Ôo  
Momi: I had to think about a German song called "Da da da".XD

<It's a damn cold night>  
Momi: You should wear something warm, really.

<Trying to figure out this life>  
Momi: Wait a minute, "this" life?Ôo  
Di: Yes.Ôo  
Momi: How many lives has she got?Ôo  
Di: Maybe, nine. Like a cat.  
Momi: I won't be surprised, if that's indeed true.-.-

<Won't you take me by the hand>  
Momi: \*as the girl\* What are you waiting for? Take me by the hand! I don't have a plenty of time!  
Hana: \*laughs\*  
Di: \*clears her throat\* Uhm, Momi, I don't want to pass the eternity here too, so please play a card.Ó.Ô  
Momi: Oh, right, it's my turn.^^° \*plays a card\* Draw two cards, Hana.X3  
Hana: \*thinks\* Oh great.-.- \*draws two cards without saying something\*

<take me somewhere new>  
Momi: For the last time: travelling is dangerous!>.<  
Di: Especially you should take care of the game situation, Momi.X3  
Momi: Why?  
Di: Well, let me explain that this way: You have five cards, me and Hana have at a time one card and it's my turn. Got it?X3  
Momi: This is a normal game situation, isn't it?Ôo  
Di: Okay, I let speak my card. \*plays her card\* Draw two cards, Momi. Oh, and: Mau mau.X3

<I don't know who you are>  
Momi: And for the last time: travelling with a stranger is quite more dangerous!>.<  
Di: Don't forget, Momi, you have to draw two cards.X3 \*sips apple spritzer\*  
Momi: That must be a fault. \*lays a card\* You meant four cards for sure, didn't you? And not me have to draw but Hana.X3  
Hana: Oh, I'm so sorry, but I can't do that. \*lays her card\* Because of that.X3  
Momi: Oh no, I have lost! \*laughs\*  
All three: \*laugh\*

<But I... I'm with you>  
Momi: That's dangerous!>.< ... Ah, forget it! I give it up! She will do it anyway.-.-

Di: You're right. She won't learn that anyway.-.-

Hana: Maybe that's some kind of rap?Ôo

Momi: I don't think so.-.-

Di: Although... I've heard, rap was called in former times stutter and was curable.XD

<I'm with you>

Momi: The famous last words.XD

Hana: So much for that.-.-

Di: The End.-.-

Momi & Hana: The End indeed.^^ \*turn off the radio\*
